NTP-10 **NTP-30** **NTP-50**
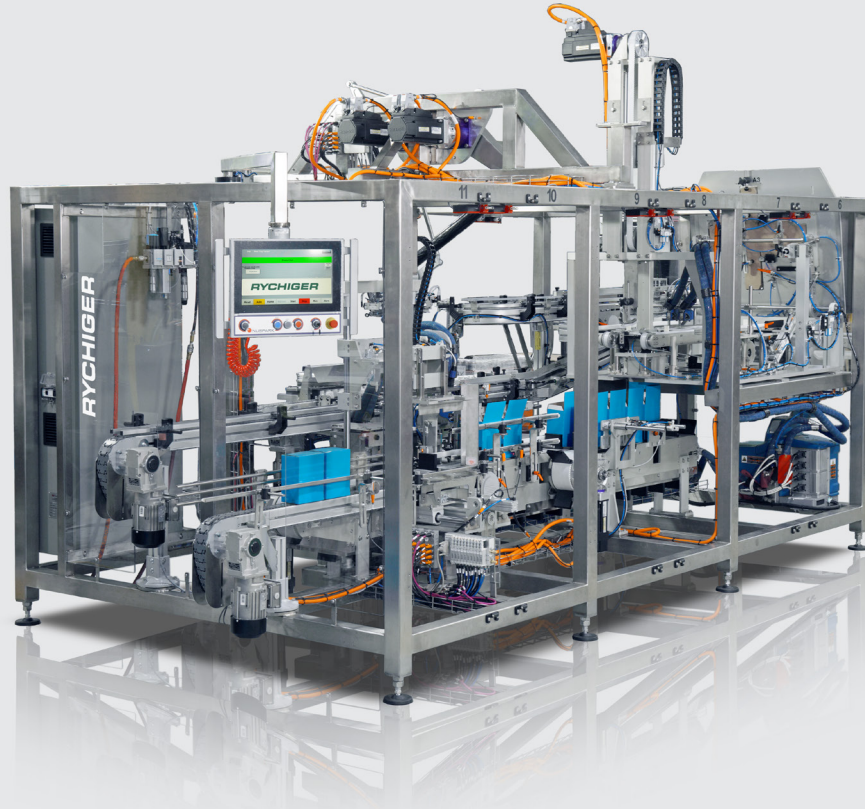

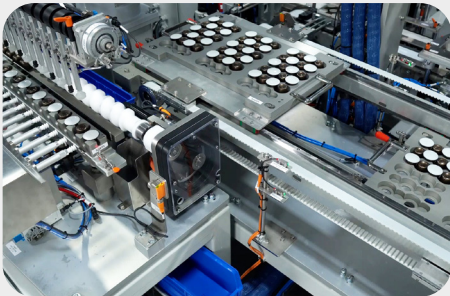

TRAY PACK

RYCHIGER

What makes these tray packers the all-rounders

There's no better way of summing up the advantages that these tray packers have to offer. Not many tray packers can form, load and seal so quickly.

- ✔ Available in different performance classes with outputs of 10, 30, or 50 trays per minute
- ✔ Forming, packing, and sealing in a single installation
- ✔ Can be used for a wide range of product types
