VRC-60   **CARTON**

RYCHIGER

Smooth and speedy packaging

The VRC-60 is all about peak performance. The cartoner is particularly popular with pharmaceutical companies and contract manufacturers because it can do so much while taking up very little space.

- ✔ Vacuum-assisted handling helps protect high-quality, thin-walled paperboard cartons
- ✔ Easy to integrate due to minimal 44" x 43" footprint
- ✔ Tool-free changeover between sizes
- ✔ Optional labeling (QR code, RFID tag, etc.)

Details

Small and Fast

Generates an output of 60 cartons per minute on a compact 44" x 43" footprint – saving you time and space.

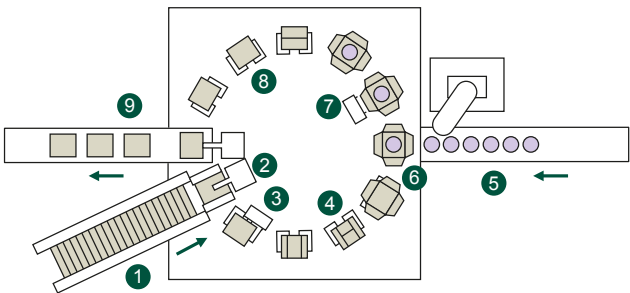

Delicate Carton Handling

Precisely sized buckets with suction cup mechanism hold cartons in place, gently guiding them throughout the cartoning process – perfect for keeping thin walled and fragile paperboard cartons clean.

QC & Check Weighing

Ability to add quality control features such as weighing technologies or cameras.
